- India government ne 1973 mein 'tiger project' shuru karke apne national animal, tiger, ke conservation ke liye agrani initiative ki. tiger project ka purpose tiger ko extinct hone se bachana hai. [Q3]
- India government ne 1973 mein 'tiger project' shuru karke apne national animal, tiger, ke conservation ke liye agrani initiative ki. tiger project ka purpose tiger ko extinct hone se bachana hai. [Q4]

EXAM TRAP tiger project India government dwara aprail 1973 mein shuru kiya gaya tha. sahi year 1973 diye gaye charon options mein present nahi hai. [Q5]

2. Largest Tiger Habitats, Critical Habitat & Project Coverage

- It is the third largest tiger reserve in the country. - guru ghasidas-tamor pingla (Guru Ghasidas-Tamor Pingla) tiger reserved area Chhattisgarh mein located hai. ise 2024 mein India ke 56ven tiger reserved area ke roop mein adhisuchit kiya gaya. iska total area lagbhag 2,829.387 square km hai. kshetrphal ke basis par yeh India ka tisara sabse bada tiger reserved area hai; isliye option (D) sahi hai. India mein abhi 58 tiger reserved area hain. [Q6]
- Andhra Pradesh - andhr Pradesh ka nagarjunasagar-shrishailam (Nagarjunasagar Srisailam) tiger reserved area India ka sabse bada tiger habitat hai. ullekhanii hai ki state ke punargathan ke baad is reserved area ka 3296.31 square km area andhr Pradesh ke tahat ata hai. [Q7]
- Nagarjunasagar-Srisailam - andhr Pradesh ka nagarjunasagar-shrishailam (Nagarjunasagar Srisailam) tiger reserved area India ka sabse bada tiger habitat hai. ullekhanii hai ki state ke punargathan ke baad is reserved area ka 3296.31 square km area andhr Pradesh ke tahat ata hai. [Q8]

EXAM TRAP Kanha, ranathanbhaur, Corbett aur bandhavagadh charon India ke tiger project netavark mein shamil hain. India mein abhi 58 tiger reserved area hain. diye gaye sabhi option tiger reserved area se related hain; isliye "shamil nahi hai" ke liye koi sahi option nahi bachata. [Q9]

3. Tiger Reserves - State Matching & Famous Parks

- sahi matching option (a) se related hai. [Q10]
- chilka tiger project se related nahi hai. [Q11]
- Tigers - Madhya Pradesh ka Kanha National Park 1955 mein astitv mein aya aur 1973-74 mein tiger project ke tahat banaye gaye Kanha tiger reserved area ka kor area banata hai. park ki ullekhanii upalabdhi durlabh kathor-land barahasinga (Hardground Swamp Deer/Barasingha) ka conservation hai, jise lagbhag extinct hone se bachaya gaya. [Q12]
- 1, 3 and 4 - tiger reserved area bandipur, manas aur Sundarbans hain. [Q13]

4. Conservation Linkages - Vultures, Lions, Rhino & Sundarbans

- Bihar ke valmiki tiger reserved area (VIR) ne giddh conservation scheme (VAP) shuru kiya hai. [Q14]
- Asian sinh natural roop se Gujarat located gir National Park mein paya jata hai. baiktrian (Bactrian) unt ya dvi-kubad (Double-humped) unt madhy Asia ka basic nivasi hai. India mein yeh nubra ghati mein paya jata hai. ek-sing wala (One-horned) gairinda India aur nepal dono mein paya jata hai. isliye option (a) sahi jawab hai. [Q15]
- India ke West Bengal ka gaurav, Sundarbans Ganga ke delta mein lagbhag 10,000 km² area mein phaila hai. yeh kolakata ke south-purv mein located hai aur Bengal ki Gulf ki limit se laga hai. [Q16]

5. Tiger Reserve Locations & New Additions

- Dampa - dampa Tiger Reserve western Mizoram mein located hai. [Q17]
- Galat kathan: Buxa - Bihar; baksa Tiger Reserve Bihar mein nahi, West Bengal mein hai. baaki sabhi sahi sumelit hain. [Q18]
- pench Tiger Reserve do states - Madhya Pradesh (90%) aur Maharashtra (10%) - mein phaila hai. [Q19]
- Galat kathan: Amangarh; amanagadh Tiger Reserve India mein tiger project ke tahat ek tiger reserved area hai. yeh Uttar Pradesh state ke bijanaur district ke amanagadh mein hai. [Q20]
- sariska Tiger Reserve Rajasthan ke alwar district mein located hai. ise 1955 mein wild life Sanctuary aur 1978-79 mein tiger reserved area declared kiya gaya. [Q21]
- 2015 mein Uttarakhand ke rajaji National Park ko tiger reserved area declared kiya gaya. yeh India ka 48th tiger reserved area hai. [Q22]
- rajaji, motichur aur chila wildlife abhayaranyon ke vilay se bana rajaji National Park, nikatavarti reserved forest area ko baphar zon ke roop mein jode jane ke baad, wild organism conservation Act, 1972 ke tahat tiger reserved area declared kiya gaya. [Q23]

6. Tiger Population, Census & Programme Facts

EXAM TRAP akhil Indian tiger akalan (All India Tiger Estimation) 2022 ke ke mutabik India mein tigers ki average anumanit number 3,682 hai aur anuman-limit 3,167-3,925 hai. diye gaye kisi option ka abhi official anuman se mel nahi hai. India mein world ki sabse badi wild tiger abadi hai aur abhi 58 tiger reserved area hain. [Q24]

- is sawal ka historic basis 2018 ka vistrict tiger-akalan (tiger-estimation) report hai. us report-context mein India mein world ke lagbhag 70% wild tiger batae gaye the aur tigers ka ek important hissa adhisuchit tiger reserved area ke bahar bhi paya gaya tha. abhi context mein akhil Indian tiger akalan (All India Tiger Estimation) 2022 India mein ausatan 3,682 tigers ka anuman deta hai. sawal mein clear roop se 2018 report ka context hai; isliye chihnit jawab usi historic basis par yathavat rakha gaya hai. [Q25]
- statement 1 sahi hai: India mein tiger project aprail 1973 mein shuru ki gayi thi. statement 2 jis ke roop mein likha gaya hai woh galat hai: 'construction a sajha bhavishy ke liye sabhi life' year 2022 ke international biodiversity day (22 mai) ki thim thi, na ki kisi alag 'national biodiversity' day ki; India mein apni alag thim wala koi prithak 'national biodiversity day' manaya nahi jata. statement 3 sahi hai: tiger project India ka main tiger-conservation program hai. isliye sirf statement 1 aur 3 sahi hain, jo option (B) se mel khata hai, aur yahi is pariksha ki official roop se svikrit jawab-kunji hai. [Q26]

7. Technology, Match-the-Pairs & M-STripES

- hal mein Karnataka ke bandipur Tiger Reserve ne wildlife management ke liye dron ya manavarahit havai vahan ka use shuru kiya hai. [Q27]
- sahi matching option (b) se related hai. [Q28]
- Galat kathan: Simlipal National Park - Madhya Pradesh; simalipal National Park Madhya Pradesh mein nahi, Odisha mein located hai. baaki sahi sumelit hain. [Q29]
- Namdapha National Park - Arunachal Pradesh mein located namadapha National Park ki climate tropical se uposhnakatibandhiy, temperature aur arkatik tak badalati hai. [Q30]
- Maintenance of Tiger Reserves - 'M-STripES' ka meaning hai - tigers ki gahan conservation aur ecological condition (Status) ke liye monitoring system (Monitoring System for Tigers - Intensive Protection and Ecological Status) aur ise kabhi-kabhi tiger reserved area ke rakharakhav ke context mein samacharon mein dekha jata hai. is system ke do mukhya component hain - [Q31]
- Mizoram ka sabse bada Wildlife Sanctuary dampa Tiger Reserve 1985 mein adhisuchit hua aur 1994-95 mein tiger reserved area declared kiya gaya. gumati Wildlife Sanctuary tripura mein located hai. saramati ek shikhar hai jo India ke nagalaind state aur myanmar ke sagaing Pradesh ki parvatiy limit par asapas ke shikharon se upar uthata hai. isliye 1 aur 3 sahi sumelit hain. [Q32]
