

MISCELLANEOUS FACTS - FULL MIND MAP

Topic-wise | Hinglish | SSC / BPSC / BSSC / Railway

Topics in this chapter:

1. Environmental Schemes, Pollution & Health Matching
2. Koppen Climate Classification
3. Biotech Park & Geological Heritage Sites
4. Tsunami, Aquatic Animal & Weather Balloons
5. Human Well-being, LANDSAT & Hurricane
6. Dinosaur Graveyard & Eco Mark
7. Food Labels, DNA Barcoding & Economic Ecology
8. WHO, Glaciation & BNHS
9. Plastic-waste Charkha & Blue Flag Beaches
10. Save Soil Movement & Soil Classification
11. Aquatic Weed & Drought Resilience Alliance
12. Net Metering & Renewable Energy

1. Environmental Schemes, Pollution & Health Matching

- PAT scheme energy-intensive industries ki efficiency badhata hai (A-2). MISHTI mangrove restoration ke liye 2023-24 Budget mein aaya (B-1); LiFE lifestyle initiative hai (C-4), aur NCAP national air pollution strategy hai (D-3). [Q1]
- Skin Cancer -> Ultraviolet Light; Noise Pollution -> Decibel; Global Warming -> Carbon dioxide; Ozone Hole -> Chlorofluorocarbons. [Q2]
- Skin Cancer -> Ultraviolet Light; Noise Pollution -> Decibel; Global Warming -> Carbon dioxide; Ozone Hole -> Chlorofluorocarbons. [Q3]

2. Koppen Climate Classification

- Köppen classification mein Uttar Pradesh aur Bihar ka climate Cwg category mein aata hai. [Q4]
- Köppen ki Amw climate category ka main Indian region western coast hai, khaaskar Malabar aur Konkan coast. [Q5]

3. Biotech Park & Geological Heritage Sites

- Uttar Pradesh ka pehla Biotech Park Lucknow mein bana. Ye 2007 se operational hai. [Q6]
- National Fossil Wood Park (Sathanur) -> Perambalur; Shivalik Fossil Park -> Sirmaur; Stromatolite Park -> Chittorgarh; Lonar Lake -> Buldhana. [Q7]

4. Tsunami, Aquatic Animal & Weather Balloons

- Tsunami ka sabse common trigger samundar ke neeche aane wala powerful earthquake hai. Underwater landslide ya volcanic eruption se bhi tsunami aa sakti hai. [Q8]

- Gangetic river dolphin Bharat ka national aquatic animal hai. Ye freshwater mammal hai; ise 2010 mein national aquatic animal notify kiya gaya. [Q9]
- Weather balloons bharne ke liye helium gas use hoti hai. Helium chemically inert hai. [Q10]

5. Human Well-being, LANDSAT & Hurricane

EXAM TRAP Is question ka single unique option nahi banta: afforestation, wildlife protection aur sustainable resource use teeno environment aur human well-being mein madad karte hain. [Q11]

- LANDSAT adjacent western area ki image satellite ke agle relevant pass par kuch din baad, lagbhag usi local time par milti hai. [Q12]
- 2012 mein Hurricane Sandy ne USA ke northeastern aur eastern coastal areas ko affect kiya tha. [Q13]

6. Dinosaur Graveyard & Eco Mark

- USA ke Montana ko dinosaur fossils ki wajah se “graveyard of dinosaurs” kaha jata hai. [Q14]
- 1991 Ecomark scheme mein soaps, paper, plastics aur cosmetics jaise product groups the; drugs aur antibiotics notified category mein nahi the. [Q15]

7. Food Labels, DNA Barcoding & Economic Ecology

- 2011 ke packaging-label rules ke context mein ingredients, nutrition information aur veg/non-veg declaration label par chahiye the; har product par medical-profession recommendation mandatory nahi thi. Isliye statements 1, 2 aur 4. [Q16]
- DNA barcoding similar dikhne wali species alag pehchan sakti hai aur processed food mein unwanted plant/animal material detect kar sakti hai. Kisi organism ki age nikalna iska kaam nahi hai; isliye 2 aur 3. [Q17]
- UNEP ne Dr. M. S. Swaminathan ko “Father of Economic Ecology” ke roop mein recognise kiya. [Q18]

8. WHO, Glaciation & BNHS

- WHO ka Constitution 7 April 1948 ko effective hua. Isi date ko World Health Day manaya jata hai. [Q19]
- Peninsular India ki purani glaciation ka evidence Talchir Formation mein milta hai; exam answer Carboniferous ice age hai. [Q20]
- BNHS ek independent nature-conservation organisation hai. Ye action-based research, education, nature trails aur awareness programmes chalati hai; isliye statements 2 aur 3 sahi hain. [Q21]

9. Plastic-waste Charkha & Blue Flag Beaches

- India ka bada waste-plastic Charkha Noida mein Gandhi ji ki 150th birth anniversary se pehle inaugurate hua tha. Dono statements sahi hain. [Q22]
- 2020 ke historical context mein Bharat ke 8 beaches Blue Flag certification ke liye recommend hue the. Baad mein total count badla, is question ka answer 8 hi hai. [Q23]

10. Save Soil Movement & Soil Classification

- Mitti Bachao movement 1970s mein Madhya Pradesh ke Hoshangabad (ab Narmadapuram) mein Tawa Hydropower Project ke virodh se shuru hua. [Q24]

- USDA Soil Taxonomy mein soil order classification ka broadest level hai. Given descending area order: Entisols > Alfisols > Aridisols > Ultisols. [Q25]

11. Aquatic Weed & Drought Resilience Alliance

- Water hyacinth (*Eichhornia crassipes*) tezi se phailne wala invasive aquatic weed hai. Ye water bodies mein native species aur flow ko nuksan pahunchata hai. [Q26]
- Spain aur Senegal ne COP27 ke dauran International Drought Resilience Alliance (IDRA) launch kiya. [Q27]

12. Net Metering & Renewable Energy

- Net metering mein rooftop solar users apni extra electricity grid ko bhej sakte hain aur billing mein uska credit le sakte hain. [Q28]
